

Home Energy Storage Grid Subsidy

What incentives are available for energy storage systems?

The Self-Generation Incentive Program (SGIP) offers cash rebates for installing energy storage systems. Rebates can go as high as \$1,000 per kWh for low-income or high-fire-risk areas. New York (NY-Sun Program) New York offers storage incentives through the NY-Sun initiative, helping reduce battery system costs by thousands of dollars.

Do you have to pay for energy storage?

But here's the good news: you don't have to shoulder the full cost yourself. Across the U.S. (and in many other countries), governments and utilities offer tax credits, rebates, and incentives to encourage homeowners to go green with energy storage systems.

Should you go green with energy storage systems?

Across the U.S. (and in many other countries), governments and utilities offer tax credits, rebates, and incentives to encourage homeowners to go green with energy storage systems. These financial perks can help you save hundreds or even thousands of dollars on your battery system, especially when combined with solar panels.

Which states offer rebates for energy storage systems?

California (SGIP Program) The Self-Generation Incentive Program (SGIP) offers cash rebates for installing energy storage systems. Rebates can go as high as \$1,000 per kWh for low-income or high-fire-risk areas. New York (NY-Sun Program)

Do I NEED Solar to qualify for energy storage?

No, you do not need to have solar to qualify for this program. Energy storage allows for self-supply during outages for added resiliency. If your main electrical panel is configured to only have critical load (e.g., a few lights, refrigerator, A/C) on, your energy storage system will last longer.

Can I use load-shifting if I install energy storage?

If you install energy storage, you can also take advantage of load-shifting to maximize your energy consumption during off-peak pricing and benefit from Time-of-Use (TOU) pricing control. How do I apply? Visit the SCE Battery Marketplace to explore your options with approved vendors.
